Mr. James H. Geer
Assistant Director
Intelligence Division
Federal Bureau of Investigation
Ninth Street and Pennsylvania Ave., N.W.
Washington, D.C. 20535

Dear Mr. Geer:

Recently, representatives from this Agency's Office of Training and Education (OTE) and our Security Education Staff (SES) met with Special Agents within your analytical unit (CI-3B) to outline areas of mutual interest in producing a counterintelligence training/awareness film.

The meeting resulted in an agreement to allow OTE representatives to review current FBI video tapes, films, photographs, and other pertinent materials detailing actual case histories where Americans have been recruited by foreign intelligence services in the United States.

The resulting CI video will become the property of both our agencies and each will have full access to use the film in any educational or awareness briefings deemed appropriate.

The cooperation of your CI-3B staff and their willingness to snare important audio-visual data will contribute greatly to the success of this project. Their efforts are greatly appreciated.

Sincerely,

 Director of Security
